PROJECTS

Project Title: Quiz App

Language: Dart(Flutter)

● **Description:** The Flutter quiz app is a user-friendly application designed to offer an interactive and educational quiz experience.

Project Title: Chat App

Language: Dart(Flutter)   **Environment:** Firebase

Description: A Flutter and Firebase-based chat app is a modern, real-time messaging platform that leverages the power of Flutter's cross-platform capabilities and Firebase's robust backend services. This app facilitates seamless communication between users in a secure and efficient manner.
